

Compliance With Minority Guarantees
September 2016

The Constitution and Bylaws guarantee minority representation on the Board of Directors and Standing Committees. There are currently four (11%) minority members on the Board of Directors. Six minorities serve on the four Standing Committees with at least one minority on every committee.

The following tables indicate the history of minority involvement on the Board of Directors, at the KEA Delegate Assembly and the NEA Representative Assembly.

Minority KEA Board Members

There has been minority representation on the KEA Board since 1969. Minority representation has been assured by provisions in the Constitution and Bylaws Since 1974.
