Dear Member,  
Today KEA celebrates National Education Support Professionals (ESP) Day. Across the nation, ESP's will be recognized for the critical role they play in educating the whole student, ensuring they are safe, healthy and supported so they can learn and reach their full potential.

In celebration of National ESP Day and the ESP careers that are essential to student success, we invite you to watch and share this new video: [Education Support Professionals: Meeting the Needs of the Whole Student](#). Through the eyes of Sofi, a middle school student, see how ESP's make a difference in Sofi's life and the lives of all students, both in and out of the classroom.

Sincerely,

**Stephanie Winkler**
